Abhishek Tiwari

Talented and passionate Data Scientist with experience in training machine and deep learning models.

Personal details	
Date/place of birth	June 04, 1994, New Delhi(India)
Address: :	Freiberg, Saxony, Germany
Telephone::	+4915208700968
E-Mail:	Tiw.abhishek04@gmail.com
Portfolio-Website:	tiwabhishek.github.io/
GitHub:	github.com/tiwabhishek

Further training courses

11/2023 – 05/2024

Data Scientist 6 Month Boot-camp, Data Sciences
Datascientest, Puteaux, France

Data structures and algorithms, Data Visualization, Big Data/Database.
- Python
- Machine Learning
- Deep Learning
- Data Analysis
- SQL-Relational/Non relational Database
- Tableau-Power Bi
- Scikit-Learn, Pandas
- Git-Bash-Linux

Projekte

Completed data sciences project
- Milestone: Weather forecasting project: (daily rain forecast) in Australia.
- A fully functional website hosted on an AWS ec2 server that predicts rent for different apartment types in several locations in Berlin (Predictor: Xgboost).
- A fully functional website that uses photos to classify soccer players (Classifier: SVM) and several other projects are on GitHub

Studium

2017-2024

M. Sc. , Groundwater Management

Technische Universität Bergakademie, Freiberg, Sachsen
- Master's thesis: Hydrochemistry of Lake Zwenkau in Leipzig and its future aspects. Analysis of the meteorological data of the district of Leipzig and chemical analysis of Lake Zwenkau.
- Modules in Management: Project management, Resource Management, Corporate Sustainability & Risk Management, Human Resources & Organization Management.

- Modules in Modeling: Geoscientific Communication(GIS), Hydrogeological Flow and Transport Modeling of Water(FeFLow)
- Modules in Environmental sciences: Environmental Management & Policies, Hydrogeology, Groundwater Chemistry, Brownfield Revitalization.

2011 – 2015

Bachelor of Technology, Mechanical Engineering

Dr. A.P.J. Abdul Kalam Technical University, Lucknow, Indien

- Bachelor's thesis: Principles of magnetic levitation and their applications.
- Modules in physics, mechanics, statistics and industrial engineering.

Berufserfahrung

01/2023 – 11/2023

Produktionsmitarbeiter, Geißerei

Bharat Forge Ltd, Sachsen

- Quality inspection and control in the aluminum casting process.
- Maintenance of automated aluminum casting systems.
- Destructive testing (atomic absorption spectrometer to determine the elemental composition of cast aluminum products).
- Non-destructive testing (ultrasonic testing to detect cracks)
- Maintaining high safety standards.

06/2020 – 11/2021

Werkstudententätigkeit als Produktionshelfer

Volkswagen Group Sachsen, Zwickau

- Assembly of the engine and the outer body for VW cars.

09/2018 – 04/2019

Amazon Shipping/Warehouse Associate

Amazon, Winsen-Luhe

- Picking, packing and shipping customer orders.
- Operating a jack and other warehouse equipment

07/2015 – 07/2017

Project and execution function as engineer

Global Water Separation Systems Pvt Ltd, Neu Delhi

- Planning and installation of industrial water separation systems.
- Data acquisition and management.
- Commissioning and handover of projects

Other skills

Skills

Microsoft Office, Teams, Slack,

Code Editor: **Jupyter Lab, Pycharm, VS Code, Nano**

Modeling: **Geographic information system, Feflow, Auto-cad, Catia**

Sprachkenntnisse

Independent expertise
Englisch
Hindi Native
